### Program Development

Based upon an evaluation of your company's loss experience and specific needs, we will outline the steps needed to establish an effective loss prevention program.

Our goal is to help establish a realistic safety process that will prevent injuries and accidents, improve employees' attitudes toward safety and minimize claim costs.

Depending on your company needs, we can offer you the following services:

- Safety program development
- Safety committee development
- Noise level/dosimetry testing
- OSHA compliance assistance
- Ergonomic assessments
- Safety training

### Ergonomic Services

As a leader in workplace safety and ergonomics, The Beacon Mutual Insurance Company understands how just one musculoskeletal injury could negatively impact the bottom line of your business. Beacon offers a full menu of ergonomic services – performed by highly trained and certified ergonomists – to meet the needs of Rhode Island companies from small to large.

These invaluable services are provided to policyholders at no additional cost. That's right. All ergonomic services are included in the cost of your workers compensation premium.

### Training and Education

Beacon Mutual is pleased to offer our policyholders a wide variety of educational programs to ensure a safe and productive workplace. We offer on-site training, open seminars and online training. All our safety trainings are at **no additional cost** to Beacon policyholders.

#### On-Site Safety Training

Beacon's loss prevention staff can provide a range of safety awareness training classes at our policyholder locations. Training topics include defensive driving, ergonomics, slip trip & fall prevention, to supervisor safety awareness, etc. Programs are conducted at times that best meet our policyholders' needs. Proactive safety training helps to build a positive safety culture and reduce the costs associated with workers' compensation insurance.

#### Safety Seminars

All seminars are FREE to Beacon policyholders. Beacon Mutual's safety seminars focus on more than 50 different workplace safety topics and OSHA programs to help you prevent and control accidents and claims.

Seminars take place at the following convenient locations:

- Beacon Mutual Insurance Company - 1 Beacon Centre, Warwick, RI
- Chelo's of Warwick - 2225 Post Road, Warwick, RI

**EASY REGISTRATION:** View the seminar schedule and register for classes at [www.beaconmutual.com/safety](http://www.beaconmutual.com/safety) or call 401.825.COMP (2667).

#### Online Safety Training - Beacon Online University

Beacon is committed to providing our policyholders with the highest quality online training experience. Our Policyholder Campus features more than 100 core health & safety courses carefully selected and tailored to address the needs of the majority of our policyholders.

The Beacon Online University allows ALL employees within your company to learn the latest information on workplace safety by offering courses for all facets of business and industry, anytime, anywhere, any pace!

The most popular courses are offered in English and Spanish.
